E Pavan	Present

Notes

- Project Idea

Decisions

And then we discussed about various applications like Online Voting System said by krishna, Canteen Control System by sindhuja, Fire and Rescue Service by sneha, Online Attendance System by pavan, Online exam by Aishwarya, Registration System for collage.

Every member had discussed about their idea like:

- Krishna said Online Voting System, Attendances review system for collage
- Sindhuja said Canteen Control System for collage
- Sneha said Fire and Rescue Service
- Pavan said Food delivery service for collage
- Aishwarya said Online Exam system for collage
- Avinash said Registration System for hostel

After discussing the advantages and the disadvantages of the all the ideas and, we came to Online Voting system has more advantages and has less risk so we fixed our project idea as Online Voting System.

Action items

- Go Through the basics of the web development.
- Sindhuja and sneha should design come with a Layout of Online Voting System

Follow-up meeting schedule

Date: 11-08-2020

Time: 18:30 (IST)
